A single image can be printed across a series of panels to create a larger image. Use the thumbnails below as a reference as to what an image may look like printed as a series.
These images are available in Altro Whiterock™ PopArt and Altro Whiterock Digiclad™

Ivy Falls

Example of panel layouts - 4′ x 8′2″ (1.2m x 2.5m) panels

1 panel - 4′

2 panels - 8′

5 panels - 20′

8′2″

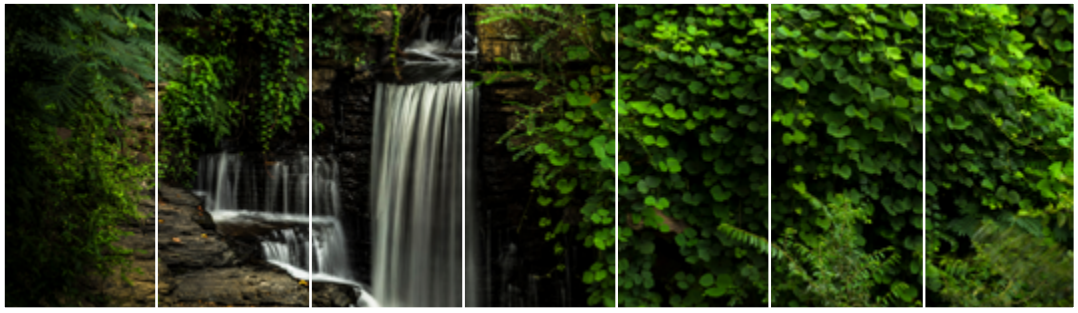
4 panels - 16′

3 panels - 12′

8′2″

6 panels - 24′

8′2″



7 panels - 28′

8′2″

Installation and joining method may nominally change the size of panels and total installation size.

Example of panel layouts - 4′ x 9′10″ (1.2m x 3m) panels

1 panel - 4′

2 panels - 8′

5 panels -20′

9′10″

4 panels - 16′

3 panels - 12′

9′10″

6 panels - 24′

9′10″

7 panels - 28′

9′10″

Installation and joining method may nominally change the size of panels and total installation size.
