### Self-covered with cove former and capping seal:

For locations which are not subject to liquid spillages on the wall. The Altro sheet flooring should be covered over a radius cove former, fixed at the junction of the wall and floor, up to a minimum height of 100mm and finished into Capping Seal C7. The cove former, Altro flooring and C7 used in this section must be adhered with approved\* contact adhesive. All mitres and joints within the coving must be hot welded

\*Approved contact adhesive by the adhesive manufacturer

Length	25m
Overall width	42mm
Visible width (after install)	17mm
Overall height	4.5mm
Material Composition	PVC
